

Boners

Training available – excellent wages

A number of boning positions are available at HW Greenham & Sons Tongala cattle meat processing plant.

Experience in boning will be well regarded but isn't essential. Full comprehensive training will be provided for suitable candidates without previous experience. This training is nationally accredited and leads to a fully recognised meat processing trade qualification.

HW Greenham offer excellent wages and conditions.

Boning requires physical fitness and strength. Applicants will have to undergo a medical examination, and drug and alcohol screening.

The Tongala plant employs over 100 people working a single shift, and exports to the USA and Asia.

Applicants who are previously applied for these positions do not have to reapply.

Applications can be obtained from our office or at www.greenham.com.au

Phone 03 5859 0912
and ask for Brett Scoble,
Recruitment Coordinator.
