

MEAT PROCESSING TRAINEESHIPS

Join the team and secure your future at Greenham

Our Gippsland (Moe) plant is up and running and we are looking for enthusiastic **TRAINEE** boners & slicers for **FULL-TIME** jobs. Meat processing experience is not essential.

Suitable candidates without previous experience will receive specialized training that is nationally accredited and leads to a meat processing trade qualification.

Greenham Gippsland is a **100% Australian** family owned business. The plant has recently been re-opened and is expanding production for the long term.

Meat processing is strenuous work and requires physical fitness and strength. Applicants will have to undergo a medical examination and pre-employment drug and alcohol screening.

Trainees will have opportunities to progress swiftly and the company offers excellent wages and conditions. Get on board today!

Applications can be obtained from our office: Phone 03 5127 4000 and ask for Belinda Taylor
